

AAR Cont'd – Part 4

Sunday February 1, 2009

Men rose early that morning to begin the withdrawal from the barracks. Bags were packed and footlockers moved to POVs. Jeeps were loaded on to trailers for the final journey home. A few members of 2nd Armored stopped by Heisey's restaurant for some breakfast. How does one lock their keys in the vehicle...still running?? If you like to know, contact Sgt Nelson. From the information received, all members returned to their homes without incident.

Welcome to Van and Josh Osgood, we'll need to work on that haircut. Also, welcome Kyle to our unit, I see that Tom had you well outfitted.

Safe travels, see you at the next event
